St. Mary's is a popular and highly successful school situated on the North West fringe of Leeds, close to the Yorkshire Dales. The school is part of the Bishop Wheeler Catholic Academy Trust which consists of the high school and 9 primary schools. The November 2014 Ofsted inspection and the June 2019 Section 48 inspection both judged St Mary's as an outstanding school. We became a Teaching School in October 2015 and a National Support School in September 2017.
